More details about the Story Adventure:

Looking for a low-key, cozy alternative to a loud, high-stimulation birthday party? We're so pleased to be bringing Tiny Troupers birthday parties to Turtle Books!

Kids get to be part of their own interactive adventure through puppets, story-telling, and a craft project, with plenty of room to join in at their own pace – whether it's jumping into the action or watching from a grown-up's lap. It's perfect for little ones (ages 2 to 5).

Together, We Can Make a Scene!
